Welcome to the 2002-2003 Special Edition of The Bedford Times. As well as a brief review of Bedford's current events, this edition features the celebration of Bedford Road Collegiate's 80th anniversary. There is a lot to be celebrated. Bedford has seen a lot of history:

-On February 12, 1923, BRCI opened its doors to the public. Back then, it

had no gymnasium, band room, or resource centre; they were added in 1926.

-During the second World War, the school was used as an Air Force Initial Training School, and the students were housed in Westmount, an elementary school down the street.

-In the 1950's, some students had to be taught in an annex due to overcrowding.

- In 1961, the new gymnasium, the main offices, a junior science lab, the I.A. room, and three classrooms were added.

- In the 1970's, the music room and library were built.

- 1995: new classrooms, a student commons area, a combined main office/student services centre, an auxiliary gymnasium with a weight room and change rooms were added.

MESSAGE FROM THE ADMINISTRATION

The 2002-2003 school year has been very exciting and rewarding due mainly to the dedication and accomplishments of our students and staff at Bedford Road Collegiate. The traditions of academic, musical and athletic excellence surrounded by a tremendous school spirit have made us proud to be associated with the best school in Canada.

This year Bedford Road Collegiate celebrated its 80th anniversary. On February 12th, 1923 Bedford opened its doors to our community and it has been an integral part of the lives of the people of Saskatoon ever since. The energy, the enthusiasm and the high standards of excellence that we are known for are very evident when you visit our collegiate. Redmen Volley, BRIT, Redmen Wrestling and our school musical have all helped to focus the eyes of our entire community on our school.

For the students who remain at our school we look forward to working with you in the upcoming year and encourage you to continue to give back to the school through your participation and support of all our activities. These can be some of the best times of your lives but the years pass very quickly; be involved!

We would personally like to congratulate the graduating students for all their efforts during the past four years. We hope that you have made the most of your opportunities and take with you the knowledge, the friendships and love of learning necessary in guiding you toward your goals. "Tradition, Commitment, Excellence" are more than just words, they are a framework towards building a successful future.

Team hopes to carry on their success and competitive spirit next year

SR FOOTBALL (BRCI) - It was another exciting year for Redmen football. The team was very athletic and hardworking all year. The coaches appreciated the efforts put forth by the Bedford players. The team was provided with excellent leadership by our graduating captains and although we were inexperienced in some areas, we were able to give the fans some fantastic football action. However, we lost a hard fought battle to Holy Cross in the playoffs after finishing third in our conference. Next year's team is already looking forward to the challenges of the coming season and carrying on the success of Bedford football. You were all good ambassadors of our school on and off the field. A special thanks to all the coaches who helped out this year, especially Mr. Bevan, Mr. Brown, and Mr. Sargeant for their added support during the playoffs.

GIRLS SOCCER (BRICI) - We had fun on the road this year. Our first trip to North Battleford saw Samantha Risling score our first goal of the season. In Swift Current, the team played extremely well together and finished with a 6-0 win. Our young team improved throughout the season. The captains this year were Jenny Baker, Melissa Austin, and Lisa Johnson.

Always there for the team: coach Parr-Hilstead and 1 of the team's captains Melissa Austin.

CROSS COUNTRY (BRCI) - Each Wednesday, from the beginning of the school year, the Redmen X-Country team participated in a city meet where they competed against all the other city high schools, as well as two additional schools in our region. They ran in five city meets in total. The city season ended on October 9th with a city championship at Victoria Park. Our runners ran well; our Senior Boys team, undefeated all year, had a slower day and got a second at the city championship. Our junior girls took third in their division. The Redmen had five runners representing our school on the City Team that competed at the Provincial Championship at Harris, Saskatchewan. The City Team runners from Bedford were: Aimee Prefontaine, Amy Jansen, Jamie Prefontaine, Mark Prebble, and Zak Marken. By: Joe Monahan, coach.

BOYS' WRESTLING (BRCI) - Despite losing many of our veterans from last year, we had an amazing season with our relatively young team. Led by captain Jaret Piller, we lost only twice in duals, losing to two of the best teams this city has ever seen. We went on to place third in the City Championships, and then an even more impressive fourth at the Provincial Championships. In the upcoming seasons, this is going to be a very exciting team to watch.

GIRLS' WRESTLING (BRCI) - We had an even more amazing season. Led by captain Amy Dyck, we went on to place third in the league, and second at Cities. We had four city champions: Amy Dyck, Beth Thompson, Amanda Savage, and Shannon Kuehn. Accompanied by Lindsay Gallagher and Sam Lysorhirka, they went on to Provincials, where they were the smallest team there, but placed an astonishing second place! Not only that, but Dyck, Thompson, and Kuehn all won their weight classes, and Savage placed a hard-earned third. Beth also went on to win the National Championships, and Amy Dyck got third at Juvenile and Junior Nationals, and fifth at Senior Nationals, which were also the Olympic trials. We are only graduating Amy Dyck this year, and although she will be missed, the Tough Chicks Legacy will shine on ...

JUNIOR BOYS BASKETBALL (BRCI) - The Junior

Boys Basketball Team had a successful season this past year. The team worked tirelessly to improve each week, and by the end of the season they were an upper echelon team in the league. The players demonstrated tremendous commitment to the team and to the game, resulting in a winning record and an appearance in the Consolation Final in the year-end tournament. The tournament showcased the progress of the team, as they were able to upset several highly ranked teams while playing on five consecutive days. The continued development of these highly committed athletes will undoubtedly be instrumental in the bright future of Bedford basketball.

Redmen Ladies Defeated? Not By a Long Shot!

JUNIOR GIRLS BASKETBALL (BRCI) - The junior

girls showed continuous improvement over the course of their season. The

biggest jump in their improvement occurred after competing in the Evan Hardy Tournament where they ran into some stiff competition but rose to the challenge. For the playoffs, they nearly upset Holy Cross in the first round, went on to defeat Evan Hardy, then lost to E.D. Feehan in a well-played "back and forth" Consolation Final. For their fine display of sportsmanship and enthusiasm in the playoffs, the girls were awarded the Carol Howlett Team Spirit Award.

Freshmen Boys shoot for the gold!

FROSH BOYS' BASKETBALL (BRCI) - The 2002/2003 edition of the Frosh Boys' Basketball Team proved to be a very exciting one.

Karston Streiloff leaps for a lay up.

From the first day of tryouts to the consolation final victory at the City Championships, the guys worked extremely hard, and improved tremendously throughout the season. The highlight of the year was coming back from a 24 point deficit at half time to beat E.D. Feehan at Cities. We did have many exciting and close games, and could have easily finished in the top three in Saskatoon. With some extremely skilled players on this team, the future looks very bright for the Redmen Basketball Program. A special thank you to Jeff Thompson, Andrew Herron, and Myles Shingoose, who put in a lot of hours and were a great help. Thanks for the great year! By: Mr. Moore, coach.

Each member of the team grew as a player throughout the year, and everyone benefited from the supportive atmosphere surrounding the team. The coaches encouraged the team to play hard, teaching the girls numerous lessons. Everyone involved with the team experienced a season filled with that unforgettable Redmen spirit.

Shake Your Pom Poms ...

POM SQUAD (BRCI) - The Bedford Road Pom Squad was made up of 16 talented young dancers this year coached by Ms. Parr-Hillestad. They performed their funky, hip-hop, and jazz routine as a demonstration event at the BRIT and City Cheerleading Championships. As well, they traveled to Regina to compete in the Riffel Invitational Cheerleading Competition, receiving a terrific score of 80. The team followed that up with a first place finish at the 2003 Huskie Open! To end their

season, they were invited to dance at the City and Provincial High School Basketball Championships. A special thank you to Cassie Meyers for being such a great team captain all year! As well, the team was pleased to honor Jessica White with the Most Valuable Dancer award at the sports banquet in June. Congratulations, and thanks, girls, for a terrific season! JUNIOR CHEERLEADING (BRCI) -

Our Junior Cheerleaders have had a very successful season. Most of the girls were in grade nine and experienced cheerleading for the first time! They made new friends and learned how to work as a team. The girls cheered at our basketball games, performed at BRIT, received first place in the Huskie Open, and had fun competing at the City Championships in March. This 2002 - 2003 cheerleading season was a lot of fun for each member of the team. New and creative stunts were learned with the help of our coaches, Angela Hussman and Michael Nykiforuk. Thanks, girls, for all the effort you put into our team this year! It was an awesome season!

Reaching New Heights

The Senior Cheerleading Team never fails to wow the crowds

SENIOR CHEERLEADING (BRCI) - The Bedford Road Redmen Senior Cheerleading Squad had an amazing season this year. This year's squad was made up of 20 awesome girls who worked very hard throughout the season to achieve what they did. The team also faced many hardships, through sicknesses, personal injuries, and absences for personal reasons, but the squad pulled through and managed to give an awesome performance every time. This year's team won first place in the BRIT sideline competition, tied for first place in the showcase competition, won first place at the Huskie Open Cheerleading Competition, and won second place at the City Championships at Mount Royal. We also competed against 11 other teams at Victoria Composite Cheerleading Competition, coming in

third only to two Edmonton-based teams - who were amazingly good. All in all, coming into this I'm sure the girls were a little worried about the high expectations that are held for the Bedford Road Cheerleaders, but through hard work and determination, they performed very well and did not disappoint.

BOYS' CURLING (BRCI) - One of the more successful athletic teams this year at Bedford was the curling team. The "B" team (Brian Grimwood, Ian Robertson, Brad Broechele, Chris Rediger) had a learning year, while the "A" team (Arthur Cradock, Dustin Anderson, Devon Heroux, Mark Prebble, Mackenzie Desautels) had an outstanding season. They won the Meadow Lake Bonspiel, going undefeated, and at the Saskatoon City Championships the Team won five sudden death games to become City Champions. Bedford last won a curling championship in 1960.

At the Provincial Championships, the team played in a final with Kamsack, who later won the the Provincial Title, while the Redmen finished fifth in the Province.

The coaches, Peter Brown and Dwight Harnish, thank and congratulate both teams on their accomplishments.

Girls' Curling Team Full of Determination

GIRLS' CURLING (BRCI) - This year's Girls' Curling Team had a wonderful season. They played hard, enjoyed the competition, and had fun with their teammates. Both the "A" and "B" teams were not to be underestimated. Play-offs were quite a joy to watch with just a few "nail-biter" ends. The "A" team narrowly missed making it to the city finals. Well done, girls!

"Hello Dolly" ran Dec. 4, 5, and 7. Over 100 staff and students contributed to its great success. A special thank you goes out to Mrs. **Sissons** (orchestra conductor), Mrs. **Froese** (choral leader) and Ms. **Kuz** (director).

From the Band Room:

CONCERT BAND (BRCI) - This year's Concert Band had another wonderful year. All 90 band students worked diligently to perfect all of this year's selections, in particular the piece "Voices of the Thronatiska," which proved to be very challenging.

The concert band performed at many events this year, including the Remembrance Day Ceremony, Multicultural Day, Color Day, and at Bedford's 80th birthday party. The Christmas Tour this year included trips to Caswell School and Cosmopolitan Industries. The band also travelled to Red Deer and Edmonton on March 26-28, where they attended a workshop and

played a few concerts for the local elementary schools.

A special thanks to Mr. Brown and Mrs. Sisson, who gave up a great deal of their personal time to guide not only the Concert Band, but also the many other musical groups that make up this year's band class.

Back Row: S. Burnett, F. Chen, K. Bens, A. Montgomery, M. SoroChan, K. Tran, M. Purdy, D. Styranko, N. LaRocque. **Middle Row:** J. Loewen, J. Stevenson, J. Nordness, A. Janzen, D. Clothier, S. Wigelsworth, P. Hedlin. **Front Row:** B. Sisson, K. Ethier, A. Sawatzky, D. Claire, C. MacPhee, B. Wigelsworth.

PIT ORCHESTRA (BRCI) - This year's Pit Orchestra began its schedule of lunch hour and before school rehearsals in September, in preparation for the Dec. 4, 5, and 7 presentations of the school's musical production, "Hello, Dolly." The students were very dedicated, and faithfully supported the vocal efforts of the actors on stage.

Back Row: R. Brown, D. Wright, J. Chubala, A. Wright, C. Thompson, K. Ethier, D. Kennedy, D. Heroux, M. SoroChan, D. Clare. **Middle Row:** S. Froese, D. Schellenberg, S. Wigelsworth, D. Clothier, N. LaRocque, S. Campbell, E. Jansen, S. Booth. **Front Row:** S. Burnett, N. Froese.

JAZZ BAND (BRCI) - This has been a stellar year for the Jazz Band. With our three groovy pieces we rocked the elementary school circuit and transformed BRIT from a basketball tournament to a funky happening. The casual atmosphere allowed us to experiment with some more international-style pieces and solos. This has been one of the strongest Jazz Bands Bedford has seen in several years.

Clockwise, from Left to Right: Mike Sorochan (3rd trombone), David Clare (1st trombone), James Nordness (4th trombone), and David Kennedy (2nd trombone).

TROMBONE QUARTET (BRCI) - The newest addition to the music department is turning out well. The group features four trombones playing different styles of music, from pop to rock to jazz, and even some classical. The group members have even arranged many of the pieces themselves. The group plays at most band performances, and has plans for a few performances at independant venues.

THE ELECTRIC TRUMPET (BRCI) - This has been another productive year for the electric trumpet. The first model has been in working order for about a year now. Mr. Brown and his team have begun work on the second model, the "Angela II," and it is well on its way to completion. This model will feature a new system for opening the valves on the trumpet, which should offer more ease in playing. As of March 4, 2003, the "Angela II" is scheduled to be completed by June 2003.

- Angela Sawatzky

SAXAPHONE QUINTET (BRCI) - The saxaphone quintet, like any other quintet, consists of five people. Nicole LaRocque plays 1st Alto Sax, Jessica Frederick plays 2nd Alto Sax, Arlee Beatie plays

1st Tenor Sax, Tyler Anderson plays 2nd Tenor Sax, and Amy Janzen plays Bari Sax. Conducted by Sara Wigelsworth, the group practices once a week, either at lunch hour or before school.

From Left to Right: Daniel Wright (electric bass), Andrew "Beast" Wright (lead guitar), Cory "Bread" Baker (rhythm guitar), and Sean "Fonzie" Burnett (drums).

ROCK GROUP (BRCI) - ManMeat is a new edition to the Bedford Road music department. The group plays a variety of rock pieces, and have become highly skilled thanks to their hard work and patience. Each member of the group contributes his own individual qualities, like Cory's sometimes dimwitted humor, and Dan's hard-line political attitudes, making this group a one of a kind.

Back Row: David Kennedy, Sean Burnett.
Front Row: Jaymie Chubala, Kristen Ethier, and Angela Sawatzky. **Missing:** Mike Sorochan.

BRASS GROUP (BRCI) - The Bedford Brass Group plays a variety of pieces arranged for five brass instruments. The group consists of three trumpet players, two trombone players, and 1 tuba player. As well as performing beside the concert band throughout the year, the group played some of their own concerts during the busy Christmas season.

A chance to get together in faith

ISCF (BRCI) - The Inter - School Christian Fellowship Club is an opportunity for Christian students at Bedford Road to get together to share and grow in their faith. This was done through Bible studies, guest speakers, food, games, and just hanging out. Meetings were every Friday at lunch in Room 236. The staff advisors were Mr. Stonehouse and Mr. Graham.

Major School Issues

The Bedford Spark: Reporting

SPARK (BRCI) - Spark had a very productive year, experimenting with several different formats and even a new way of organizing the Spark. We had many new faces joining our forces. We managed to produce nearly an issue a month. Kate Bens and Felicia Chen, who had been the editors for the past two years, have passed their jobs to two of our most qualified members. The former editors wish lots of luck to the Spark and hope for the success of future issues.

SMUNA

Diplomacy at its best

SMUNA (BRCI) - Saskatoon Model United Nations is a student-coordinated club that encourages its participants to become involved in the international community. During this three-day conference in November, students have the opportunity to practice public speaking skills and acting, while at the same time becoming more aware of relevant world issues. Bedford brought over 25 delegates to the conference of nearly 200 participants from across the province. This year's resolution focused on environmental sustainability. This is a timely topic since Canada and the entire world are discussing the ratification of

the Kyoto Protocol, the second resolution dealing with the disarmament of weapons of mass destruction. This year's SMUNA was both fun and educational, with many strong speakers and enthusiastic delegates coming attired in costumes. It was an experience to look back upon with fond memories. There is bound to be much laughter and fun at next year's conference.

SIGN CLUB (BRCI) - A great group of students met once a week this year to learn signed English. With direction from Ms. Parr, we started the year off with a black light performance of "Love in Any Language" at the Remembrance Day Service. We also enjoyed various other performances throughout the year. In addition to learning songs, our many returning members and new signers learned how to communicate with the hearing impaired in our community.

Key to the Community

A club that helps out with staff appreciation to bake sales

The Key Advice:

"You are only defeated if you give up one more time than you get up!"

KEY CLUB (BRCI) - Bedford Road Key Club is part of the Riversdale Kiwanis "family". Our club is involved in a number of service activities and fundraisers. Some of the activities include dressing up as clowns for the Kiwanis Apple Tag Day, holding a staff appreciation breakfast, bake sales at parent-teacher interviews and school plays, collecting food for the Food Bank at Halloween, Christmas hampers, and Operation Christmas Child, to name a few. At the conclusion of each school year, donations are made to a number of organizations - local, federal, and international.

Each year, through the support of the Riversdale Kiwanis Club, we have sent two students to a Key Club Weekend in the United States. This year, **Cathleen MacPhee** and **Jennifer Bishop** attended the Key

VALEDTORY ADDRESS

Welcome to all the guests here today and thank you for being a part of this day ... OUR day! I've realized that this means a lot to me and I'm glad, I'm glad to stand here and speak on behalf of the grads. This opportunity is a big deal, so thank you. I began writing this thinking I'm gonna make this really short and sweet, but I've got a lot to say ... so relax, put your feet up, and enjoy!

Many thank you's will be said today, and there are so many people to recognize for their contributions. First ... the parents. I know that my parents are proud, and I know that every one of us here has someone that is proud of them. This is awesome; they have set us on the right path, and my dad always said if he never saved me from choking on that chicken bone when I was little, I wouldn't be here today! Thanks, Dad. I owe ya one. To my mom and all the loving moms out there, the inspiration you've given us is priceless. I love you guys!

To the teachers, you pushed us to the point of no return. I struggled and hated it, but because of this, I now know the meaning of "horses, chickens, or pigs." You guys deserve a pat on the back, I look up to you with the utmost respect and you will never be forgotten. I thank you for respecting us and believing in us and for not getting mad when we "went to the washroom," and came back with Slurpees!

Friends have been here throughout the whole four years. They may have come and gone, but friends will be what we remember most: they were there when we got embarrassed for having a crush on Tess Ingalls in grade nine, and they were there with us for our first BRIT game. Surprisingly, only two people have come up to me and asked me to mention them in my speech. I thought about this and figured "Sure, why not?" Jory Simpson, HI JORY! And secondly... Steve, Steve, Steve. This is the guy my parents warned me about. I mean, look at him! Just kidding, Steve. My parents still call him "Chester" because they think it suits him better, or else they actually still don't know his real name. Maybe it was the whole mullet thing ... I dunno. But it's these little things that create the awesome memories, and memories deserve to be remembered. I can remember the most hilarious things that happened on those walks to Burger King in grade nine, but I can't remember what I got on my last Physics test ... I guess that's a good thing!

Thinking back to the very first days of high school to now, we have matured. Look at us, we have grown, WE HAVE FACIAL HAIR - well, hopefully just the guys. We have become adults and can now look forward to having a career and family and all those good things. We will soon be doing amazing things with our lives, and I can't wait to see you guys in the future!

Okay ... so I never got my Hot Dog Day. That's okay, this last year has been one heck of a ride and I can just imagine the fun we'll have this summer. I'd have to say that today is probably the day we will remember most from all four years. So why not tell that certain someone you had a crush on them... say the things you always wanted to say but never had the guts! The people sitting beside you are your friends and companions; these people you have seen every day in the halls. These people MADE high school, and such friendships should never be overlooked.

I saved the biggest thank-you for now. Thank-you to each and every one of us, we finally DID IT ... graduated, that is! We can make our own decisions now, and that diaper commercial finally makes sense: "I AM a big boy now!" For those who know me, I would love to bust it out to some Michael Jackson right now, but I've been asked to cut it out, so I wore these in recognition ...

So, in closing, I would like to say that Bedford has been amazing, and the friends have made MY four years so much fun and so much to remember. To every one of the grads ... we deserve this, and our hard work should not be taken lightly. Today is for us; I love this school, and we must stand proud of our accomplishments so far. We've had good days and bad days, and even the bad days have their place, but we must think of grad as a time to say thanks, and a time to look ahead. Some of us will be famous and some of us will not. For those who will, please remember today, remember US, and just know that your money will always be appreciated! Today is THE day, OUR day, the day we walk through those doors they call life and show them what we're capable of! Never be afraid, we can do the extreme! Always walk with a smile and enjoy the moment, remember to LIVE your life and live it proud ... CONGRATULATIONS!

LANTERN (BRCI) - To condense an entire school year into 100 pages is not a job for the weak, and Lantern, Bedford's yearbook committee, has done it again. Meeting every Wednesday to design pages, take surveys, and select pictures, this small group helped fabricate The Bedford Times, with editors Stacey Campbell, editorial assistant Danielle Styranko, and teacher advisor Mrs. Grier. It took skill, it took creativity, and it took perserverance, but hopefully that will all bring forth satisfactory results. Our goal is to preserve your memories in an organized - yet asthetically pleasing - manner. Enjoy reading this special edition of The Bedford Times during your morning coffee, in the bathroom, or waiting at the bus stop. Special thanks to Mrs. Grier for her willingness to help out whenever needed and her "double-checking."

The High School Board
will take immediate steps
to provide for the construc-
tion of a new Collegiate
building on the west side of
the city. It was decided at a
meeting of the board held
at noon today to ask the
city to provide cash or de-
bentures for the purchase
of a site bound by Avenue
G, Bedford Road, Ru-
sholme Road and Avenue
H, described in the city
plans as Block 26, Plan DJ-
1. The site is slightly less
than three acres in area, a
little smaller than the site
of the present Collegiate
building which included
3 1/4 acres.

The cost of the block has
not been, definitely an-
nounced, but the greater
part of it consists in ar-
rears of taxes owed to the
city by the owners. If the
high school board took
over the property only a
few thousand dollars would
have to be paid out to these
owners. The board would
take over arrears owed to
the city for the past four or
five years, which could be
paid according to an ar-
rangement made with the
city council. The owners
are ready to accept the
price placed on the land

site was first under con-
